

OUR MISION

To offer our guest and visitor a place of rest with quality and good service, putting at position of facility so they can enjoy all the touristic attractive of the zone, and at the same time protecting our natural resources.

OUR VISION

All the personal of Ara Ambigua lodge, are committed to the interest in saving the electricity and water, supplies courtask is that both our staff and also our guest should be conscience of conserving the natural resources.

Approximately more or less in the end of the year 2007 our company cut down 40% of the electric consume, that had years before.

Our Lodge will be one of the models to fallow, as an example that small family company will put in practice for the sustainability.
